

### **Greencoat UK Wind PLC – Statement on investments in other listed investment funds**

For the purposes of rule 15.4.5 of the FCA's listing rules, the Company confirms that it does not intend to acquire securities in other listed, closed-ended investment funds as constituent investments (and, for the avoidance of doubt, the Company confirms that for such purposes no more than 15%, in aggregate, of the value of its total assets may be invested in other listed, closed-ended investment funds), although from time to time such securities might form part of transaction structuring.
